THE CS2 CART FROM CASSESE

is an underpinner (v-nailer) really easy to use. It has the capacity to join every size of frame (with maximum height of 80 mm).

Thanks to its pneumatic cylinder, the CS 2 CART allows effortless joining while ensuring perfect joining quality with the patented Smart Wedge Drive System™.

The CS2 CART uses only Cassese cartridge wedges, recognized today as the best on the market and allowing you to load the machine faster.
